NORTHWESTERN
UNIVERSITY

November 2008

RE: Transportation Center 2008-2009 RESUME BOOKS Available

Dear Recruiters, HR Professionals and Potential Employers:

The Transportation Center at Northwestern University is pleased to announce the availability of its **2008-2009 Resume Book**. The Book contains the resumes of Northwestern students interested in challenging career opportunities in transportation and logistics related fields.

Those represented in this year's Resume Book are ideal candidates for full-time or internship positions in operations, finance, consulting, marketing, project management, supply-chain management and numerous other areas. Identifying talented prospective candidates who can contribute to your firm's performance is, of course, your top priority. Northwestern students are highly motivated individuals with a unique blend of academic credentials and experience who can meet this need and are ready to do so.

To request a copy of the Resume Book, please complete the attached form and return it to us at the Transportation Center. You may mail it back or fax it to us at 847-491-3090 or e-mail your request to d-marek@northwestern.edu.

Northwestern is highly regarded for its expertise in transportation and logistics education and research, offering several specialized academic programs in the field. These include:

- **Undergraduate Minor in Transportation and Logistics**
(Interdisciplinary Cross-School Program)
- **Undergraduate and Doctoral programs** in various departments, including Economics, Civil Engineering, Industrial Engineering and the social sciences.
- **Master of Business Administration (MBA) & Master of Manufacturing Management (MMM)**
Kellogg School of Management (ranked repeatedly as one of the top MBA programs in the country)
- **Master of Science Degrees**
McCormick School of Engineering and Applied Science
 - Master of Science, Civil Engineering and Transportation (MSCE)
 - Master of Science, Industrial Engineering (MSIE)
 - Master of Engineering Management (MEM)
 - Master of Project Management (MPM)

In addition to publishing our Resume Books, the Transportation Center offers a number of other recruitment services including:

- **Job Posting Web Page:** <http://transportation.northwestern.edu/career/index.html>

Employment opportunities may be submitted for posting on the Transportation Center's web site at any time during the year. **Students** and **alumni** of the Transportation Center are familiar with our Career web site and utilize it regularly in searching for jobs.

Job postings may be sent to my attention via postal mail, e-mail (d-marek@northwestern.edu) or fax (847-491-3090). *E-mail requests in the form of an attachment are preferable and will be given priority for posting.* There is no charge for posting jobs on the Transportation Center web site.

- **On-Campus Interviewing**

If you are interested in visiting campus for the purpose of conducting recruiting interviews, we will be happy to assist you in reserving a date and making all necessary arrangements.

- **Career Presentations**

The Center will also assist you in arranging on-campus career presentations. These informal information sessions are excellent vehicles for getting information about your company to the student population.

The Transportation Center works in cooperation with the other Northwestern University career centers and stands ready to assist you in recruiting across schools and departments. Our goal is to help employers identify the best candidates and to assist our students in finding challenging and rewarding career-track opportunities.

We hope you will take advantage of the Transportation Center's recruitment services and look forward to assisting you in your search for outstanding candidates. Please contact me at **847-491-2280** or d-marek@northwestern.edu if you have any questions about our students, services or academic programs.

Sincerely,

Diana Marek
Assistant Director
Administration & Academics
