

**Prasad Gollapalli**

CEO & Founder

# Our Vision

Become the single, seamless AI based exchange of connections for shippers, carriers and 3PLs to automatically secure prime appointments for all locations.

# The Problem

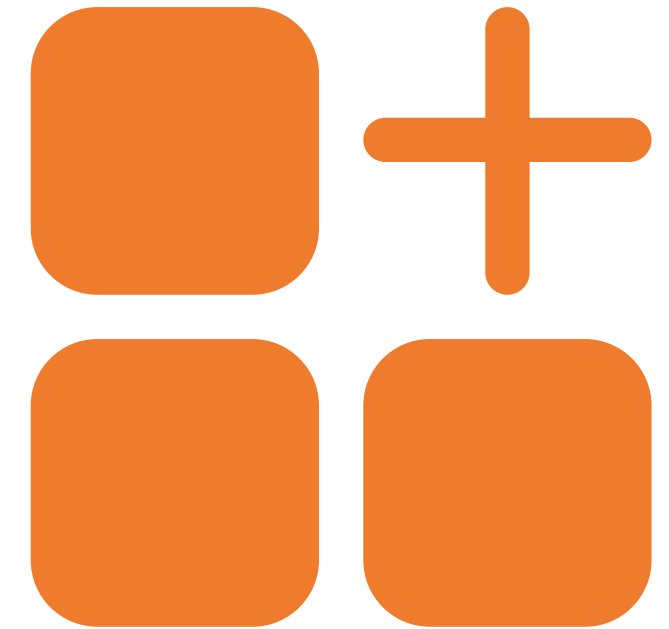

100 Million Hours  
Training  
Location Management

Poor Planning  
Rigidity  
Labor Allocation

Detention  
Charges  
Late Fees  
OTIF Penalties  
Lost Revenue

More Widgets  
More Plugins  
Failed  
Projects

# Our Solution

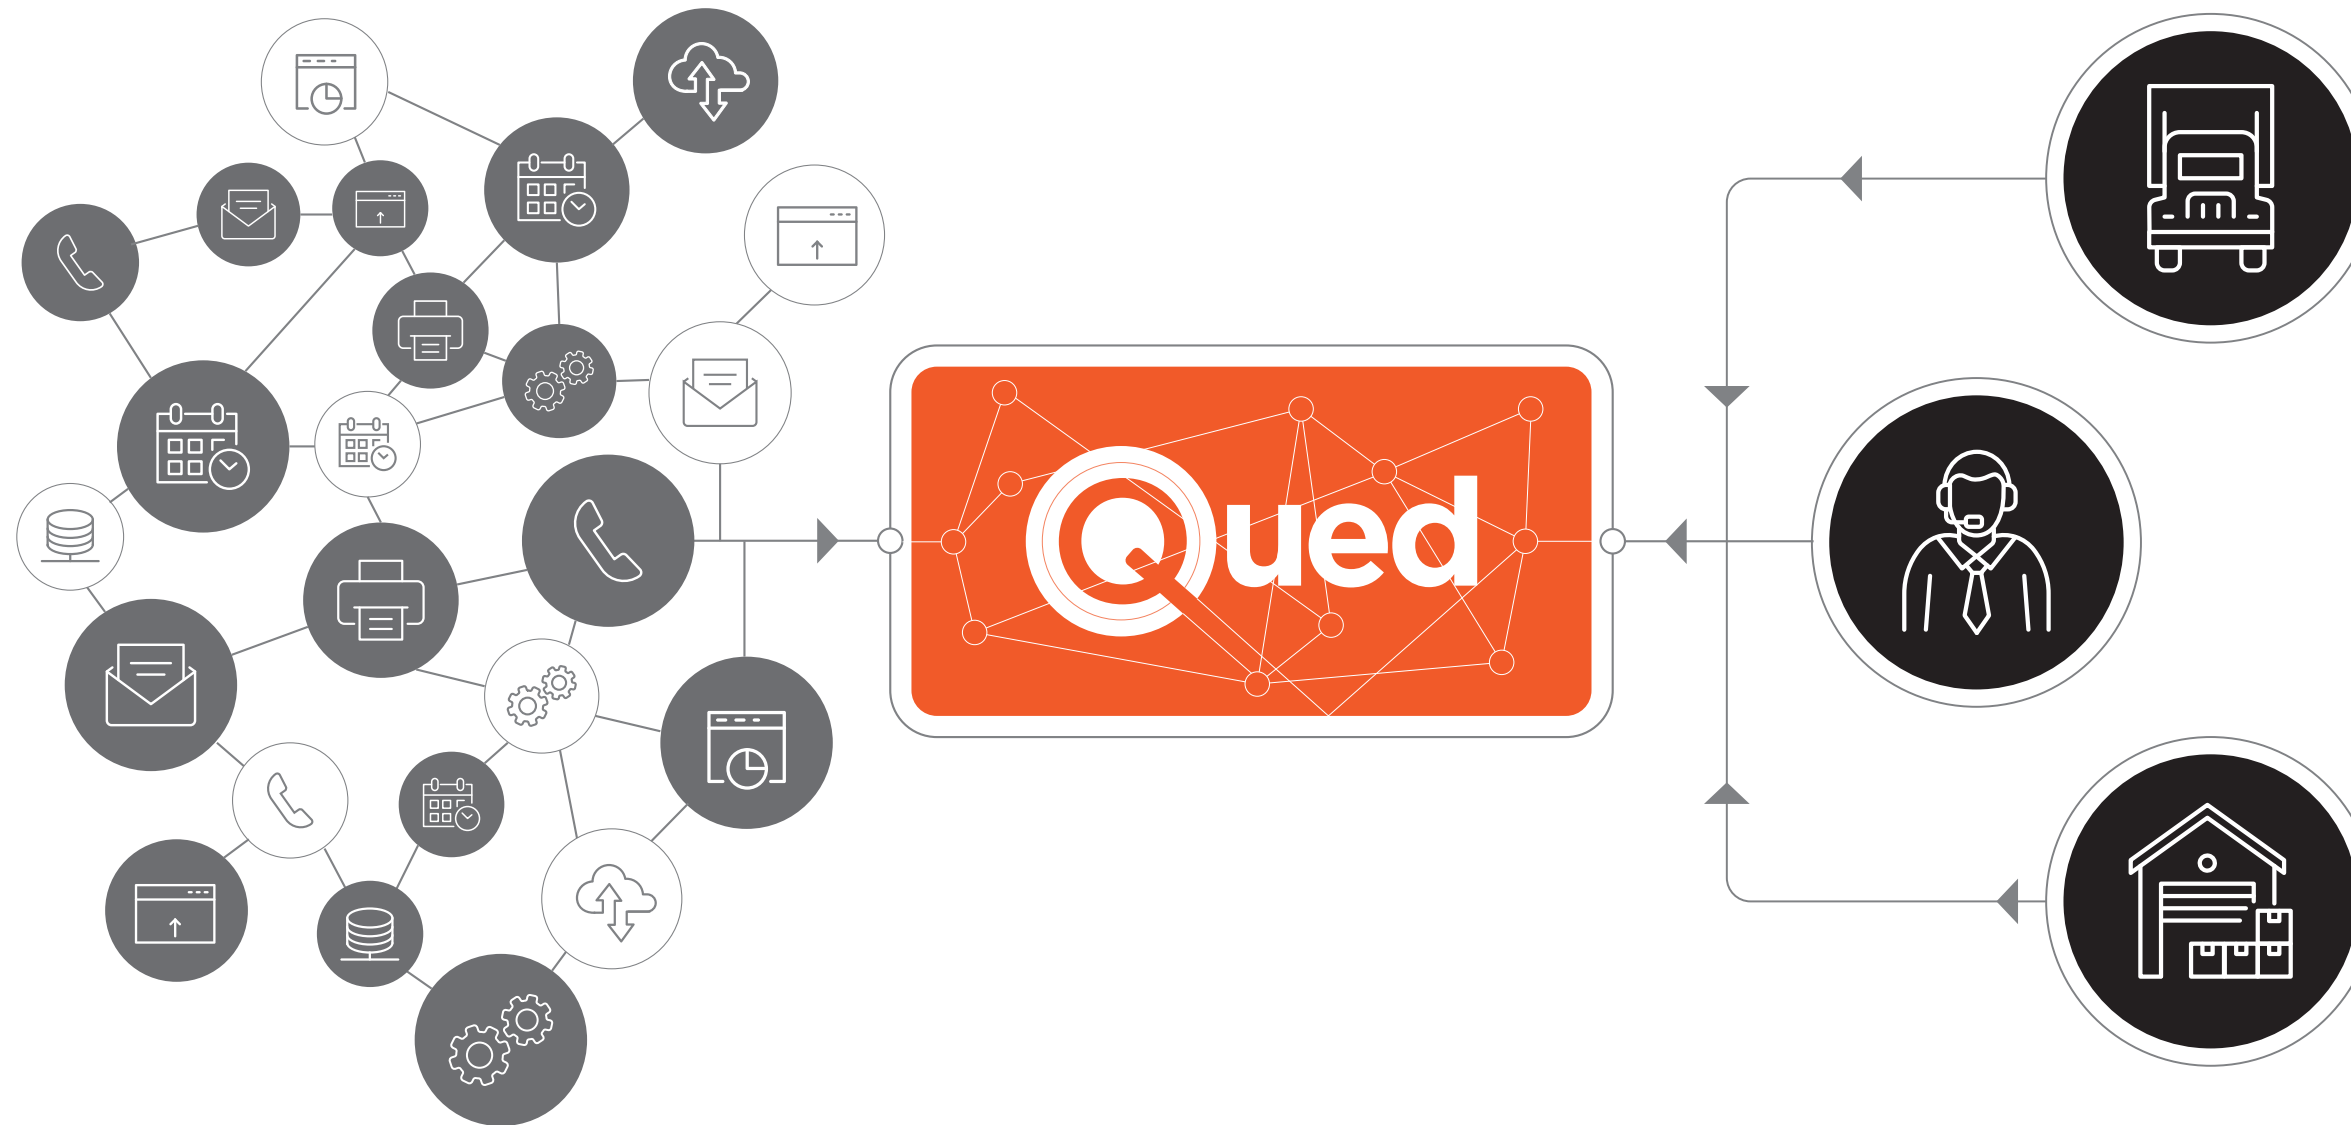

## Connectivity

Direct connections to appointments from your TMS (no widgets/plugins)

## Smart Appointments

AI and machine learning models to help shippers, carriers and 3PLs select smarter appointments
